From Collections to Connections: Creating Collaborative, Digitally Rich Learning Spaces to Support Student Success

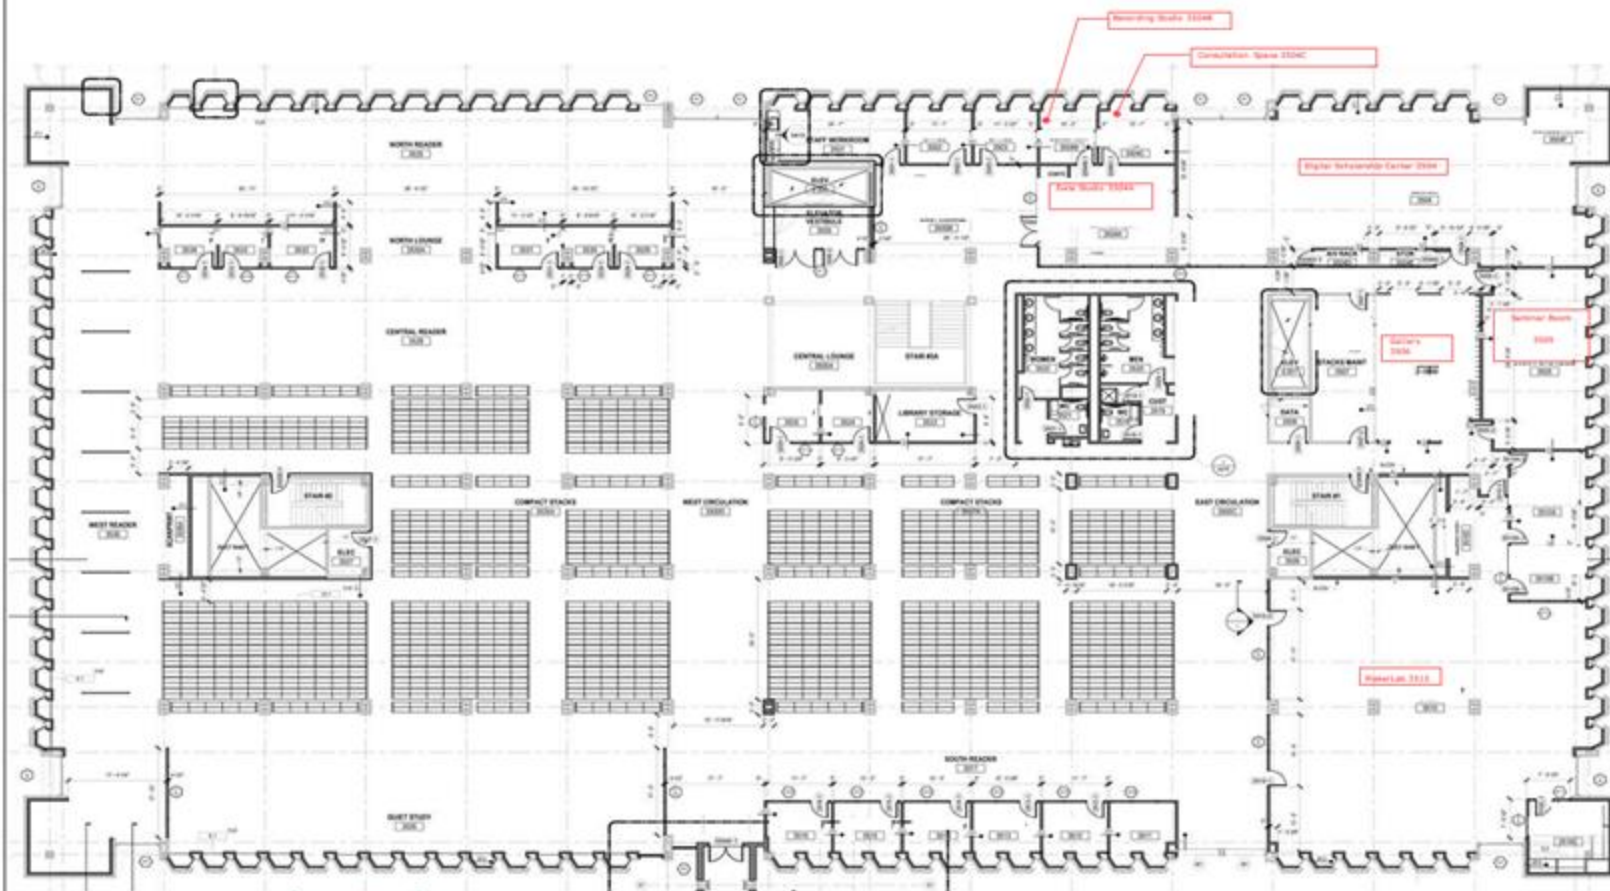

Designing Libraries Conference 2025

Andrea Falcone
Dean of Libraries

Bartle Library third floor

- . Overview + Timeline
- . Connecting Renovations to Libraries Priorities

Our Libraries Priorities:

Facilitate exemplary student learning experiences.

Infuse technology into our core services and spaces.

Future-proof the Libraries.

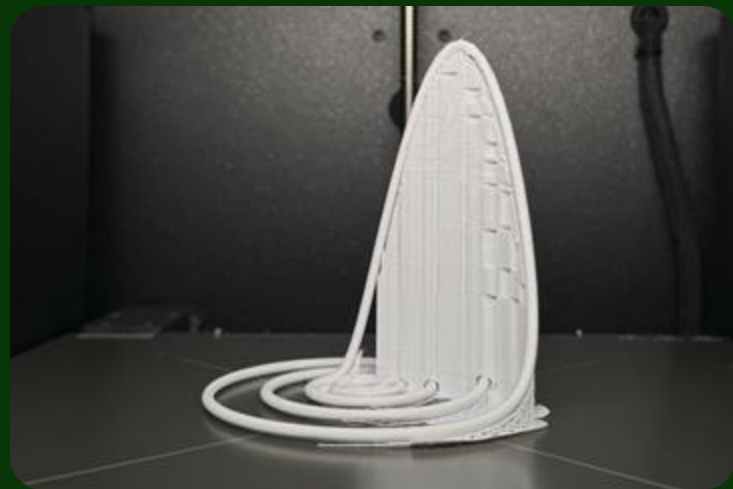

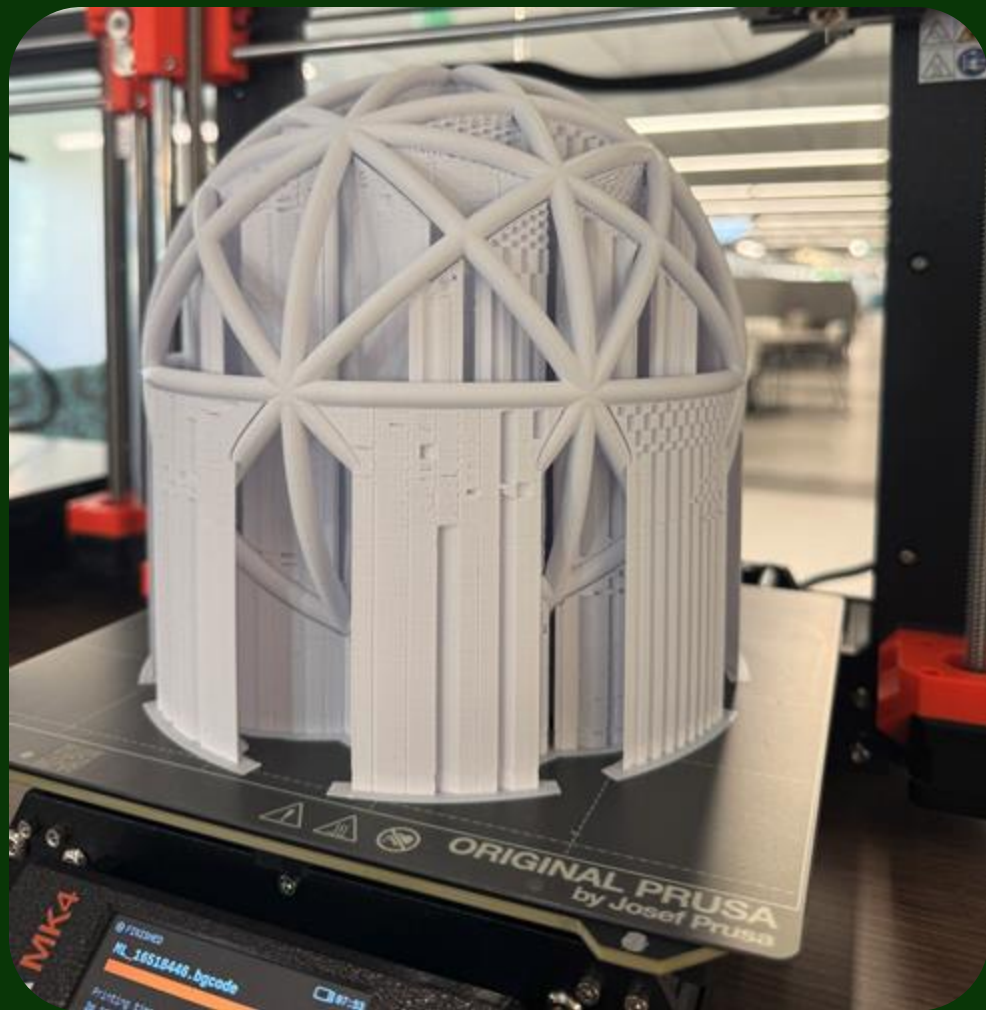

Facilitate exemplary student learning experiences

- . Curricular-focus centers
- . Staff offices located throughout

Infuse technology into our core services and spaces

- . Research Showcase
- . Room Reservation Tablets
- . Digital Displays
- . Recording Studio

Future-proof the Libraries

. Provide spaces that are evergreen and can change with the needs of our scholars
