- Student Organizations will not be subject to any usage fees. Any requests from a student organization must be made by an active undergraduate member of that group.

Service Fees: The requestor and their administrative unit are responsible for all service costs they generate in room use. These include, but are not limited to, parking, housekeeping, room setups & resets, special media needs, catering, equipment rental, etc. Costs are billed directly by the supplying unit.

The requestor and their administrative unit are responsible for handling all the above arrangements and directly paying for services.

C.) SCHEDULING PRIORITIES and TIMELINES

- Reservations for Rush Rhees Library rooms may be made one semester in advance, based upon space availability. Library functions and programs have first priority. Other than this, rooms are available on a first-come, first-served basis.

Reservations must be scheduled on-line at: https://www.calendar.rochester.edu/Default.aspx and will be confirmed by the RCL Building and Projects Office via email. Please allow 72 hours for a response to your request. Applications must be submitted at least one week prior to the date of the event.

If information on the planned activity and/or deposits are not received as requested, rooms will be returned for reassignment or other uses after appropriate notification.
D.) PAYMENT POLICY
A fully completed, signed and approved 312 requisition form must be received by the RCL Building and Projects Office, Box 270055, Room 122, five business days prior to the event. After the event has taken place, the requisition will be forwarded on for processing.

If the event should be cancelled, the requisition will be voided and returned to the originating department.

E.) CANCELLATION POLICY
Cancellations of space requests should be received in writing by the RCL Building and Projects Office. This applies to all categories of users. E-mail (rclbuildingrequests@library.rochester.edu) cancellations will be accepted. Please let us know as soon as possible as there is a demand for the rooms.

F.) SUPPORT SERVICES
The requestor and their administrative unit are responsible for coordinating all support service requirements (furniture movers, housekeeping, media, facilities, caterers, etc.) associated with the use of reserved rooms. The requestor and their administrative unit are also responsible for supervising any vendors they hire outside the University (Nolan’s, caterers etc.)

The RCL Building and Projects Office, Q&i staff do not assist with the set up and running of the event, e.g. making photocopies, loaning supplies or equipment, tracking down equipment, meeting the caterers, supervising vendors etc. The requestor and their administrative unit are responsible for being familiar with the facility and for handling any special arrangements.

To insure compliance with the NYS Fire Codes and the U of R Risk Management policies, all setups and resets of the Hawkins-Carlson Room are to be handled by River Campus Facilities and Furniture Property Movers only (no exceptions).

The sponsoring group must restore the room to its original arrangement immediately following the event.

NO balloons or candles (including votive candles) are allowed in the Library. Décor must not endanger Library walls, panels or signage; require moving works of art; or affect their appearance. All décor and signage must be free standing. Nails, staples or tape may not be used on walls, floors or windows. Any decorative items at the event deemed unsafe by Library staff will be removed.

Also, nothing can be hung from or on the doors or walls of the rooms. No scotch tape, masking tape, or tape of any kind is to be used. No pins, tacks, nails, etc. are to be used on the doors or walls of the rooms.

Please use tablecloth and waterproof protection under the tablecloth on any tables that will be holding food and/or beverages.

Furniture cannot be removed from Library rooms or borrowed for other rooms. If extra furniture is needed (eg. tables, chairs, coat racks), this can be arranged through River Campus Facilities Furniture and Property Movers in advance of an event (see page 7 for contact information).

If there is any damage to the library caused by your event, the department/group will be charged for the actual cost of the damages.

IV. FOOD and BEVERAGE

ONLY University-approved caterers will be allowed to service events at Rush Rhees Library (see page 7 for contact information).

Please use tablecloth and waterproof protection under the tablecloth on any tables that will be holding food and/or beverages.
